POSTAL REGULATORY
COMMISSION
OFFICE OF THE SECRETARY

Hon. Shoshana M. Grove, Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, D.C. 20268-0001

Dear Ms. Grove:

In connection with the Commission's rules pertaining to periodic reports, I have enclosed copies of the report of Revenue, Pieces and Weight (RPW) by rate category and special service for Quarter 1 of Fiscal Year (FY) 2010. This report consists of two parts:

1. Mailing Services (Market Dominant Products), Preliminary Revenue, Pieces and Weight by Classes of Mail and Special Services for Quarter 1, Fiscal Year 2010 (Oct. 1, 2009 – Dec. 31, 2009), Compared with the Corresponding Period of Fiscal Year 2009, **Public Report**; and
2. Shipping Services (Competitive Products), Preliminary Revenue, Pieces and Weight by Classes of Mail and Special Services for Quarter 1, Fiscal Year 2010 (Oct. 1, 2009 – Dec. 31, 2009), Compared with the Corresponding Period of Fiscal Year 2009, **Public Report**.

I have enclosed a disk with a machine-readable version, consisting of an Excel file containing both parts of this public report. This electronic file may be posted on the internet.

This report is presented in the revised format described in my letters dated September 29, and November 20, 2009, transmitting prior RPW reports. Those letters attached summaries (Attachment 1) describing the changes in the revised format.

As with prior reports in the recent past, I have included, together with the public version of the RPW report for Quarter 1, a restricted version that disaggregates the international and domestic data pertaining to competitive

products (**Restricted Report**). This alternative, restricted version follows the newly adopted format used in the public report, and provides the Commission with additional, disaggregated data for the confidential categories. The restricted report is being provided on computer disk and in hard copy, and should not be made public. It has been marked as restricted and confidential.

As explained in my letter dated September 29, the Restricted Report for Quarter 1 does not redact information from the non-public version of the report, but presents statistics in aggregated categories. In the revised format, however, the categories have been expanded. The public version in the old format limited the statistics to one category for "Total Shipping Services Mail" and one category for "Total Shipping Services Services." The revised format presents aggregations by individual product category. This change results in new line items for "Total Express Mail," "Total Priority Mail," "Total Parcel Select Mail," and "Total Parcel Return Service Mail."

The Postal Service believes that the material contained in the Restricted Report that is not included in the public version consists of information that would not be subject to mandatory disclosure pursuant to the Freedom of Information Act and Title 39, United States Code. In my letter of September 29, 2009, which first transmitted the RPW report for Quarter 3, FY 2009 (in the revised format), I enclosed, as Attachment 2, the "Application of the United States Postal Service for Non-Public Treatment of Materials." Pursuant to 39 C.F.R. § 3007.21, this document describes the information in the restricted version that has been aggregated in the public version, and presents the statutory basis for the Postal Service's request for confidentiality, as well as a description of the harm that would result from disclosure. We here incorporate that document by reference as applying to the Quarter 1 report for FY 2010.

If you have any questions, do not hesitate to call.

Sincerely,

Daniel J. Foucheaux, Jr.
